

Ms. Evgeniia Ermolaeva, Executive Director of St. Petersburg Early Interventions Institute and UNICEF Consultant, visited Turkmenistan from March 10th to 15th, 2024.

During her visit, Ms. Ermolaeva led the 1st training module aimed at preparing trans-disciplinary specialists for provision of early childhood intervention services. The training is 1st out of the 6 module package, designed to equip national childcare professionals with essential skills, knowledge and competencies with focus for promoting inclusive early childhood development services within Turkmenistan.
