

On the occasion of Ashgabat City Day, an opening ceremony of residential buildings will be held in the “Choganly” region

On the occasion of the Day of the city of Ashgabat, the opening ceremony of new facilities and buildings, as well as a drinking water purification station with a capacity of 150 thousand cubic meters, will be held in the Bagtyyarlyk etrap and 136 two floor residential buildings in the “Choganly” region of Ashgabat. Vice Prime Minister of the Cabinet of Ministers B. Annamammedov told about it.

The President of Turkmenistan instructed the vice-premier to prepare for cultural events and opening ceremonies and hold them at a high level, which will be held in Ashgabat on the occasion of the City Day.
