

Igor Kolyvanov: «Baggio and Cherenkov were similar. Both are introverts and behaved very modestly.»

Igor Kolyvanov told how Roberto Baggio and Fedor Cherenkov were similar.

- Is Baggio the most talented football player you have ever played with?
- I had the opportunity to play with many good football players. Since he won the Ballon d'Or, he is undoubtedly one of the greatest players in world football at that time. If not for injuries, I could have shown myself even more.

A true professional, he behaved very modestly on and off the field. In some ways they were similar to Fedya Cherenkov. «Both are introverts,» said the ex-player of Fiji, Bologna and the Russian national team.
