

The Ceremony “Graduation – 2024” Was Held at the Institute of International Relations of the MFA (IIRMFA)

On June 15, 2024, a celebration ceremony of graduates was held at the Institute of International Relations of the Ministry of Foreign Affairs of Turkmenistan. It was attended by representatives of the foreign policy office, professors and students, masters of the institute, as well as parents of graduate students.

During the festive ceremony, the professors of the institute delivered congratulatory speeches and wished the graduates good luck. The mentors noted that the task of effective development of international relations in modern conditions requires high professional skills, deep knowledge and comprehensive training from the employees of the diplomatic service; all conditions have been created in the institute to train future international specialists.

During the ceremony, the mother of the graduate of the Faculty of International Journalism, Sheker Hudaiberanova, delivered a congratulatory speech and expressed her gratitude to our Hero Arkadag and Arkadagly Hero Serdar, who are making great efforts to train young professionals.

As we know, since 2009, the institute has sent its graduates to work. Some of them work in embassies and consulates of our country abroad. In this academic year, 80 students and 62 masters successfully completed the National School of Turkmen Diplomacy, and 12 of them were able to complete the higher educational school with a distinguished diploma. During the ceremony, they were awarded letters of honor and valuable souvenirs.

The presentation of photo moments from the student years on the stage created unique excitement among the event participants. The celebration was accompanied by lively musical performances. Students of the institute’s musical and creative team demonstrated their skills and performed songs in different foreign languages.

The participants of the ceremony expressed their appreciation to our Hero Arkadag and the President of Turkmenistan Hero Arkadagly Serdar, who spread Turkmen diplomacy all over the world and created all opportunities to train international specialists.
