

Central Asia-Japan Joint business forum held in Astana – Turkmenistan and Japan inked a package of deals

On 9 August 2024, a business forum of the Central Asia + Japan Dialogue was held in Astana.

The event was organized by the Ministry of Economy, Trade and Industry of Japan, the Japanese Association for Trade with Russia and NIS (ROTOBO), the Ministry of Foreign Affairs of the Republic of Kazakhstan, Kazakh Invest, the National Chamber of Entrepreneurs of the Republic of Kazakhstan “Atameken” with the support of relevant ministries and departments of Kyrgyzstan, Tajikistan, Turkmenistan and Uzbekistan.

More than 450 representatives of delegations from the countries of the Central Asian region and Japan gathered at the forum. The Japanese side was represented by business giants like Toyota Tsusho Corporation, Mitsubishi Heavy Industries EMEA, Ltd., Mitsui & Co., Ltd., scientific staff of industry universities and expert community.

The agenda of the forum covered the prospects for strengthening economic ties and expanding cooperation, including in the field of digitalization, the transport and logistics industry, the agro-industrial complex, the heavy industry sector, and industrial cooperation.

During the opening of the forum, the importance of a joint event was emphasized, the main purpose of which is to strengthen trade and economic relations between the six countries,
