

Today, President Serdar Berdimuhamedov held the next online meeting of the Cabinet of Ministers, the agenda of which included a number of priority issues of state life. National Leader of the Turkmen people, Chairman of the Khalk Maslakhaty Hero-Arkadag also took part in the meeting.

In the beginning of the meeting, the head of the state gave the floor to National Leader of the Turkmen people, Chairman of the Khalk Maslakhaty Gurbanguly Berdimuhamedov.

National Leader of the Turkmen people, Hero-Arkadag first of all expressed gratitude to Arkadagly Hero Serdar for the possibility to address participants of the meeting.

Addressing the President of Turkmenistan and members of the Cabinet, Hero-Arkadag with satisfaction stated that yesterday, on October 24, in the 79th anniversary of the United Nations Organization, the head of the state met Secretary General of the United Nations António Guterres and congratulated him on this date that became a great honour to all of us.

The National Leader of the Turkmen people also noted that independent Turkmenistan twice recognised as the neutral state, carries out the just policy of “open doors». The speech of President Serdar Berdimuhamedov at the BRICS Summit, which took place in the city of Kazan of the Republic of Tatarstan of the Russian Federation, visually testifies to it.

«As you have pointed out , respected President, Central Asia, which is one of the strategic regions of the world, today intensively develops», – Hero-Arkadag underlined. The regional countries structurally co-operate in interests of fulfilment of goals of sustainable development. For achievement of SDGs in our country, a large-scale work was carried out. Namely, much has been done in the field of economy, ecology and entrepreneurship, advancement of scientific-intellectual initiatives. Work in the given direction will proceed, Hero-Arkadag said.

Having assured that in turn the Khalk Maslakhaty of Turkmenistan will hold steps undertaken in the context of SDGs under unrelenting control, the National Leader of the Turkmen people wished all big successes in realisation of these important measures.

Throughout the speech, Hero-Arkadag noted that now in our fatherland a great deal of work is carried out for development of spheres of sports. Without being limited to participation in large sports tournaments, Turkmenistan has turned into the centre of competitions of regional and world levels.

The Chairman of the Khalk Maslakhaty also marked that on September 6 of the current year at the 78th session of the General Assembly of the United Nations the Resolution proposed by Turkmenistan on «United Nations Organization Games» was unanimously adopted. Support of this initiative by member countries of the United Nations and co-authorship of 87 states - rather a great honour for us, Hero-Arkadag said.

According to the decision of the Council of heads of governments of the CIS this year, Ashgabat was declared as “The city of new sports possibilities of the Commonwealth». All it testifies to appreciation of activity carried out in our independent state in sports development.

After adoption of the given resolution, which has a great significance, national sportsmen participated in many international competitions where they took prize-winning places. Highly having uplifted the Flag of our independent neutral fatherland, they increased its sports authority that testifies to positive results of the policy realised in Turkmenistan in the field of sports. In this connection, Hero-Arkadag submitted for consideration of the head of the state the issue on organisation of the ceremony of awarding of sportsmen-winners of international competitions together with corresponding Deputy-Chairmen of the Cabinet and the Ministry of Foreign Affairs.

The National Leader of the Turkmen people also noted that in our country, which changes from year to year various actions and celebrations of state and international significance are carried out. In September the meeting of the Khalk Maslakhaty of Turkmenistan and International forum «Interrelation of times and civilisations - a basis of peace and development», devoted to the 300th birthday anniversary of Turkmen poet and thinker Magtymguly Fragi, which was highly appreciated by the world community, were held at high level.

The Khalk Maslakhaty of Turkmenistan carried out much organizational work on preparation and conduction of these actions at high level. In the given context, the National Leader of the Turkmen people addressed the President of Turkmenistan with the request to grant labour holiday from November 1, as in connection with the previously mentioned events he did not take his labour holiday in August.

President Serdar Berdimuhamedov underlined a great significance of the issues underlined by Hero-Arkadag, in particular, issues on achievement of goals of sustainable development in our country.

Having noted that young sportsmen, successfully acting at international competitions,

increase the authority of our fatherland, the head of the state underlined that for them all conditions will be created henceforth.

The President of Turkmenistan also approved the issue of taking a leave by the National Leader of the Turkmen people from November 1 of the current year.

Having expressed to the head of the state gratitude for the given possibilities, Hero-Arkadag wished all big successes in their work for further development of our country.

Further, the floor was given to Chairwoman of the Mejlis D.Gulmanova, who informed on activities carried out to further improve national legislation.

As was marked, now with a view of strengthening of the legal basis of large-scale transformations carried out in the country amendments and additions are made to a number of acts, in particular, to those regulating civil-law relations, the issues connected with administrative offences, taxes, motor transport development.

In the context of development of interaction with parliaments of foreign states and international organisations, representatives of the Mejlis together with profile state structures took part in the conference organised by Population Fund of the United Nations, the education seminar devoted to agreements of the World Trade Organization. Besides it, deputies of the national parliament made a working visit the city of Geneva of the Swiss Confederation for participation in the 149th Assembly of the Inter-Parliamentary Union.

It was also informed that people's choices act in mass media for explanation to various strata of society a historical and political significance of the year «The Fount of wisdom of Magtymguly Fragi», strengthening of democratic basis of the state, adopted important decisions.

Summing up the sounded information, President Serdar Berdimuhamedov noted that it is necessary for deputies of the Mejlis to develop laws defining present and future development of the country.

In this connection, it is necessary to continue work on perfection of national legal system according to requirements of the time, the head of the state underlined.

Deputy Chairman of the Cabinet Kh.Geldimyradov reported on preparation for the scientific-practical conference «Turkmen manat – a symbol of sustainable development of the country», timed to the 31st anniversary of introduction of the national currency. As the organizer of the forum, which will take place on November 1 of the current year, the Central

Bank of Turkmenistan acts.

The agenda of the conference will include such themes, as economic successes reached in our country as a result of introduction of the manat, realisation of national monetary and credit policy, granting of modern bank services by means of introduction of digital technologies, perfection of system of electronic payments, cooperation with international financial structures.
