

Representatives of the Mejlis of Turkmenistan participated in the final meeting of the Dialogue of Women of Central Asia

On November 14-15, 2024, representatives of the Mejlis of Turkmenistan took part in the final meeting of the Dialogue of Women of Central Asia held in Bishkek, Kyrgyz Republic.

The participants of the conference got acquainted with the «EXPO-Women's entrepreneurship 2024» exhibition organized within its framework.

During the dialogue conference entitled «Women innovators as accelerators of socio-economic development in the Central Asian region», were speeches about national experiences in supporting women's initiatives and entrepreneurship.

Also, at the conference, there were discussions about the activities and priorities during the Kyrgyz Republic's chairmanship of the Dialogue in 2024.

Representatives of the Mejlis of Turkmenistan talked about the modern opportunities created for women in the country to work creatively in various fields and implement innovative initiatives, they also spoke on the agenda of the conference.

Was adopted a Resolution of the Central Asian Women's Dialogue. The participants of the conference in a solemn setting supported the chairmanship of the Republic of Tajikistan in the Dialogue in 2025 and planning activities for the future implementation of the tasks set out in Resolution.
