

On December 9th, a ceremony was held in Vienna to award the Turkmen city of Arkadag with the prestigious ESQR's Quality Choice Prize 2024. This award was given for outstanding achievements in quality management in areas such as urban development, healthcare, and energy efficiency.

It should be noted that the city of Arkadag is an innovative, "smart," and sustainable project in Turkmenistan. The settlement was recognized for its commitment to advanced urban planning approaches and high-quality standards.
