

The working visit of the President of Turkmenistan to the Republic of Kazakhstan has begun

President Serdar Berdimuhamedov paid a working visit to the Republic of Kazakhstan to participate in the first «Central Asia-Italy» Summit.

The head of state was seen off by officials at the capital's International Airport.

The foreign policy strategy of the Fatherland, based on the principles of peacefulness, good neighbourliness and equality, the foundation of which was laid by the National Leader of the Turkmen people, Chairman of the Halk Maslahaty Hero-Arkadag, is being successfully implemented in the current epoch under the wise leadership of President Serdar Berdimuhamedov. One of the important areas of this strategy is multi-vector cooperation with interested countries of the world. A clear confirmation of this is Turkmenistan's participation in the high-level meeting «Central Asia-Italy».

At the airport, decorated with the national flags of the countries participating in the «Central Asia-Italy» Summit, President Serdar Berdimuhamedov was warmly welcomed by the Prime Minister of the Republic of Kazakhstan Olzhas Bektenov and other officials of the friendly state, as well as members of the delegation of Turkmenistan.

Dialogue in such a format, opening up opportunities for stable economic development and intensifying cultural ties, serves as an effective mechanism for mutually beneficial cooperation, which helps to strengthen trust and promote common interests at the global level.
