

At an expanded meeting of the Cabinet of Ministers, the President of Turkmenistan signed the relevant decree.

According to the document, the 2025 admission plans for Turkmenistan's higher education institutions by province, and for Ashgabat and Arkadag cities, as well as for the country's secondary vocational schools, have been approved.

Admission to higher and secondary vocational schools will be organized from July 14 to August 25, 2025.

Entrance exams for admission will be held at the locations of the respective institutions.
