

The composition of the state commission for admissions to higher and secondary vocational schools has been approved

On July 11, at the expanded meeting of the Cabinet of Ministers, the President of Turkmenistan signed the decree. According to the document, the composition of the state commission responsible for admissions to Turkmenistan's higher and secondary vocational schools in 2025 was approved.

The state commission was tasked with organizational and methodological leadership of the 2025 admissions process and ensuring it is conducted in accordance with established procedures.

The administrations of the provinces, as well as the cities of Ashgabat and Arkadag, were obliged to create the necessary conditions for the proper functioning of the working groups handling admissions to Turkmenistan's higher and secondary vocational schools.
