

Apple will invest \$ 100 billion in new obligations presented by Trump

On Wednesday, August 6, an official meeting will be held at which Donald Trump and Apple General Tim Cook will discuss investment plans in high -tech projects in the United States.

The meeting will be held in the oval office of the White House at 16:30 local time (23:30 Moscow time). The main topic of the discussion will be the initiative of the American Production Program, aimed at stimulating the localization of production capacities and investments in the US economy.

According to information provided by the press service of the US Presidential Administration, Apple plans to invest \$ 600 billion in the US economy over the next four years. Now Vendor is investing about \$ 100 billion. These investments will be aimed at developing and expanding production capacities, as well as the creation of new jobs.
