

Google has opened free access to the VEO 3 video generator, but you need to rush

Google has provided all users (who have access to AI of the company) for free access to their powerful tool for creating VEO 3 video. But you can use it only until Monday, inclusive.

CEO Google Sundar Pichai in the publication in X said: "*VEO 3 is now free for the weekend for everyone - I can't wait to see what you will create!*"

Typically, VEO 3 is available only to Gemini Pro subscribers, but these days everything can use it through the Gemini application on Android and iOS, as well as through the website. For the convenience of users, Google increased the cloud power and added additional TPU.

VEO 3 is an advanced tool that turns text requests into short videos. For users from India, VEO 3 Fast version is also available for faster operation.
