

Huawei opened a pre -order for the new Trifold Mate XTS. The device can be booked in advance in official online stores.

Huawei Mate XTS will offer two new color options. The white version is decorated with a pattern in the form of leaves with thin diagonal lines on the rear panel. The chamber module is made in the style of the “star diamond”, with three lenses and a long vertical LED flash. A XMAGE logo is located above the flash.

The rear panel of the third screen is still made of leather with a sign “Designed & Crafted by Huawei”.

Mate XTS is available in three memory options and four colors: dark, white, purple and red. Data storage: 16+256 GB, 12+512 GB and 16+1 TB.
