

The adversary has become a famous claim from Apple.

The famous insider, Technoblogger John Proser again attracted the attention of the public, placing FPT on his YouTube channel. The video material in which the concepts of the alleged models of the iPhone 17 Pro and the iPhone 17 Air were presented. The pictures are given quite detailed.

The insider demonstrated several options for a color scheme, including new shades - orange and blue. The updated design of the iPhone 17 series with a reduced screen of the screen and an improved block of three cameras is also presented.

Proser showed the iPhone 17 Air, which described as a lighter and more compact model compared to others in the line.

According to the 9TO5MAC portal, the publication of this video is published against the backdrop of the continuing trial between the insider and Apple, which filed a lawsuit against it for opening the design of iOS 26.

It is still unknown whether Apple will file an additional lawsuit in connection with a demonstration of non -anons.
