

## The original costume of Spider-Man Toby Maguire was put up for auction

At the Propstore auction, a spider-man costume will appear, who was worn by Toby Maguire in the films "Spider-Man 2" and "Spider-Man 3". It will not be cheap.

"Spider-Man 2" is considered one of the best movies on comics in history. The costume was created by Frontline Design studio under the leadership of Oscar James Echeon. For the second part, the costume has become a darker blue, with an improved silhouette of muscles, slightly reduced eyes and an enlarged emblem on the chest.

The costume consists of red-blue spandex with integrated boots. Inside there are special notes "3.s" indicating its use in "Spider-Man 3". For the convenience of putting on the sides and on the back, inconspicuous zippers are provided.

The expected cost of the costume is 100-200 thousand dollars, but the rare object can raise the price even higher. The auction of Propstore will also offer the light sword of Darth Vader, the whip of Indiana Jones and the helmet of Sauron.

The auction will be held in early September.
