

MTS announced the start of the pre -order of the smartphone Huawei Pura 80 and sales of the Huawei Matepad 11.5 2025 tablet.

From September 1 to September 8, Pura 80 buyers will receive a discount of 10,000 rubles, Huawei Watch Fit 4 watches, three months of Alice Pro, as well as service privileges, including the year of the free Huawei Care+.

The price of a smartphone in MTS is 59,990 rubles for a version of 12/256 GB, taking into account the discount. Installation is available in the format 0-0-24.

The novelty is equipped with a 50-MP XMAGE camera with ultrarealistic color rendering, periscopic module, a hyperpectral sensor, AI functions and a 5170 mAh battery with a rapid charging 66 watts.

The Matepad 11.5 2025 tablet received the Papermatte screen with glare protection and the support of the 3rd generation M-Pencil stylus. Three options are on sale: from 21,990 to 31,990 rubles.

When buying until September 29, there is a discount of 3000 rubles, a stylus per 1 ruble and an extended warranty for two years.
