

On December 7, 2025, in the cozy atmosphere of Café BERK, a Christmas fair took place, filling the city with warmth and joy. The German Embassy and its partners invited everyone to share this special day together.

An art fair, live music, games, and workshops gifted guests with festive cheer and inspiration.

Café BERK took care of delicious dishes, warming drinks, and the true spirit of celebration.

This fair became more than just an event — it turned into a luminous memory, a moment when hearts united in joy and the glow of Christmas lights.
