

Turkmen female referee Kristina Bersenyova served as assistant referee at SEA Games 2025 international football match

As part of the 32nd Southeast Asian Games (SEA Games 2025) held in the Kingdom of Thailand, Kristina Bersenyova, a talented member of the Referees Department of the Football Federation of Turkmenistan, took part in an international match as an assistant referee.

Bersenyova officiated the women's national teams of Vietnam and the Philippines, stepping onto the field in official FIFA uniform and demonstrating high professionalism.

Turkmen female referee Kristina Bersenyova served as assistant referee at SEA Games 2025 international football match

The Football Federation of Turkmenistan places great emphasis on developing young and promising referees, with special attention to empowering women in sports.

Kristina Bersenyova's participation on the international stage is not only a personal achievement but also a proud example of Turkmenistan's presence in sports diplomacy.

This event reflects growing international trust in Turkmen football and highlights the ability of Turkmen women to represent their country with dignity in global sporting arenas.
