

Arkadag football team added two forwards from our national team to its squad. One of them is Rahman Myratberdiev, who previously played for Altyn Asyr football team. The 24-year-old experienced football player has excellent ability to attack from the left wing. Having become the champion of our country twice, R. Myratberdiev enjoys great respect from Turkmen fans with his unique technique.

Another transfer of the Arkadag team was Dayanch Meredov from Kopetdag team. It is also worth mentioning that the 22-year-old football player became the champion of our country with Akhal team. Dayanch, who is distinguished by his high speed on the football field, stands out on the field. He is considered an experienced football player in counterattacks. At the same time, he has shown himself with his ability to break through the defense of the opposing team.

The transfer of Rahman Myratberdiyev and Dayanch Meredov shows that the Arkadag team is preparing at a high level not only for the new season, but also for the upcoming matches with Al-Nassr in the 1/8 finals of the AFC Champions League - 2.
