

***The Embassy of Germany in Turkmenistan has announced that starting from May 2026, one or two employees will be required to work in the Legal and Consular Section.***

According to the Embassy, the main duties of the new staff will include assisting visitors and participating in the performance of consular functions.

**Main duties:**

- Receiving visitors in German, Turkmen, and Russian
- Accepting and processing visa applications
- Correspondence and telephone communication with applicants
- Organizing and archiving visa documents

The Embassy invites interested candidates to consult detailed information on the official website. The link is provided in the profile.
