

***On January 31, 2026, a ceremony was held at the National Art Center in Tokyo to present letters of gratitude to participants in the schoolchildren's paintings exhibition "Art beyond boundaries". About this reports MFA of Turkmenistan.***

The ceremony was attended by representatives of foreign Embassies accredited in Japan, heads of the "Japan-Eurasia" Society, the "SUMI" International Association, prominent artists and visitors to the exhibition.

The schoolchildren's exhibition "Art beyond boundaries" was held from January 22 to February 1, 2026, jointly organized by the "Japan-Eurasia" Society and the "SUMI" International Association. 26 talented young people of our country participated in the exhibition, and their paintings were displayed on the Turkmenistan wall created within the framework of the exhibition.

Following the results of the above ceremony, letters of gratitude were awarded to all schoolchildren who participated in the exhibition from our country.
